

## Dear readers!

In the fiftieth issue of the journal “Economic and Social Changes: Facts, Trends, Forecast” we publish the geography and a complete list of authors who contributed their papers to the Journal over the period from 2008 to 2016.

The editorial staff express sincere gratitude to all the authors who send the manuscripts of their articles: it is you who fill in its content and only thanks to you the journal has found its niche in the scientific world!
